Relive the American Revolution or experience it for the first time in Assassin's Creed® III Remastered with improved graphics and improved game mechanics. Assassins Creed 3 is a truly breakthrough game, mainly due to its ability to explain fairly complex gameplay. In it you will also find something that was so lacking in previous games that could boast, but could not capture the imagination. The new menu will allow you to enjoy not only incredible graphics, but also entertainment. Multiplayer in Assassin's Creed® 3 boasts a huge number of innovations. You will be able to join over 400 dynamic missions. Assassins Creed 3 lets you play with your friends from your favorite RPG or well-known online game. Assassination Creed III is a radical departure from previous games in the series. Now, as in reality, you must fully use all the possibilities of the power that this game has endowed you with. Game battles should not stagnate in one place. In Assassinations Creed III you have to be ready for anything. You have to lead the revolution and prevent an even greater tragedy. Get ready to test yourself, solve your most difficult tasks. Best of all, 16 players can play with you in Assashons Creed. The number of possible combinations of opponents has also increased and is now 24. And that's not all. The developers have also changed the playing field itself, making it wider and more elegant. The new UI has been redesigned to be more user-friendly, and the amount of inventory in Assameses Creed has also increased. Mafia II, the popular organized crime series, is arguably the best example of how you can create a game that can ignite the flames of even the most complete fussy. This game is definitely one of the best examples of what can be done with all the budget money. The game was created by the largest studio in Europe, Ubisoft. However, the game is able to satisfy the needs of absolutely all fans of the classic mafia genre. In Mafi II, you can feel like a real participant in the events - the creators of the game were inspired not only by the success of the great 'GTA', but also by direct customers who became the most expensive games in history. Despite the fact that the game was released in 2004, it managed to win the hearts of all the players. Mafii II players are so addicted to this extraordinary game that they are now ready to play it again and again
