Read more about us at ABOUT DICE CORPORATION DICE was founded in 1997 and has since been developing and producing extremely successful and highly engaging gaming content. First, in 1998, it began to produce and distribute the super-realistic massively multiplayer online role-playing game (MMORPG) "Final Fantasy XI". Next, in 1999, it produced the spin-off, "Star Ocean: The Second Story". In the same year, it produced "Kingdom Hearts", the first "Soul Link" game, and the first anime-game. DICE has since produced and distributed such classics as "Ni No Kuni", "Ni no Kuni Wrath of the White Witch", "Assassin's Creed: Liberation" and "Ghost Recon: Wildlands". Jun 22, 2018 The United States and Russian forces clashed in Syria, with the focus of the fighting shifting toward the Latakia countryside. Saudi-backed militants found themselves marching on Hama airbase without making much progress. The Syrian army has slowly taken back control of strategic locations in western Syria from ISIS. In addition, Turkish forces fired on a Syrian mortar from the Syrian border town of Jarabulus, injuring a Turkish soldier. The situation is slowly heating up in the region, and the situation could easily escalate with no political resolution in sight. The 10-day ceasefire, which is set to expire on Thursday, has had very little success, with government forces

Elden Ring Story Introduction:

"A long time ago, a band of warrior stepped foot upon a mysterious world, tore into a dragon, and declared themselves as the leader. Following their conquest of the land, they became two separate groups: those that stayed and those who left. The first group settled in a secluded valley and created a nation of warrior lords under the United Ring.
