Greetings in the name of Middle-earth.

We meet on an afternoon in Isengard, deep in the mountains of the Misty Mountains. Here, below the pillars of the fallen World Tree, the elves of the Ithil, Enedwaith and Gondor call Tarn Gaur to an understanding of the power of the Rings of Power. It has been a long time since they have ventured forth from Eregion, and Boromir is anxious to test his newly-acquired Ring. Sadly, the danger of an Ithilien invasion is already and more pressing with the assault begun by the elder races. But the rings must be united with the strength of all lesser races, or all will fail.
