Description: Cobblestone Wash and Remodel Company, a division of Cobblestone Wash and Remodel, is a premier portable wash and remodeling business looking to fill its ranks with top-notch contractors. The company has made great strides in growing its workforce in the last few years, and now needs to expand its personnel even more to keep up with the large number of home improvement projects the firm completes. Since their inception, Cobblestone Wash and Remodel has been a leader in the industry, and now, the company needs to make a name for themselves as the experts in home improvement. They are looking for ambitious, self-motivated, independent individuals who are willing to accept responsibility. If you have experience in the home improvement and construction industries, this is an excellent opportunity for you to get in on the ground level of a growing business. Company Overview: Founded in 2005, Cobblestone Wash and Remodel is an innovative home improvement company. They seek to provide the best home improvement services for clients in the Mid-Atlantic region. Their strong, customer-focused clientele attests to their dedication to excellence in customer service. The company has been at the forefront of the industry since its conception, and will continue to serve as the industry standard for quality home improvement services. Cobblestone Wash and Remodel is a fast-growing home improvement company that is looking for individuals who can help get the company to the next level. Position Overview: Cobblestone Wash and Remodel is looking for talented and highly motivated individuals that wish to earn a competitive wage while using their talents in an outstanding workplace environment. The ideal candidate has strong organizational and leadership skills, and is capable of developing a work team. The ideal candidate will also take the lead in identifying new business opportunities. This position will require an individual to possess exceptional organizational skills and problem-solving abilities. Daily Responsibilities: · Produce marketing materials, including flyers, brochures, and other pieces for the company. · Develop company brochures and other marketing materials. · Work with the head office to create a variety of new and creative materials. · Plan events for the company, such as merchandise sales and conventions. · Be active in a professional organization or trade group that aligns with your professional interests and goals. Company Description: Cobblestone Wash and Remodel is
