## **What's new in Adamanta View:**

**Ada i ka dua kawan The Ada i Ka Dua Kawan (English: Ada i (two) Friends) was a Malayalam language horror thriller novel written by K. U. Rudrappa. It was the first time that the horror novelist centered a novel around the horror genre. His pen name Ada iKaadan (two friends) was used. The novel was a novel of suspense and wonders, where the protagonist and other characters were influenced by such paranormal science fiction concepts of the times. The book was written when Rudrappa was much influenced by the success of horror novel Inti Devi by V. M. Faizi. Rudrappa had used some of the characters from his other novel Ullathum Kunnathuvare Kalam, he had introduced them in this book as characters played by A. T. Mohammad. The characters of this novel were of two types, the one group of characters were harmless like Gumma vaadaava, while the second group of characters like Mathamba are dangerous. Mathamba used his supernatural powers and killed the protagonist who is a famous painter Umayi. This was Rudrappa's third novel after his Malayalam language Horror novel as Dwarf and Goddess. This book marked the debut of Rudrappa at the level of pen-name Ada iKaadan. He used to select this pseudonym for his horror thriller novels because this was his pen-name which means Ada i Kaadaa (two friends). Characters In this novel, we get to see for the first time in Rudrappa's well-being characters like Gumma vaadaava (A poet who was married to Umayi while she was in-exile), a retired police officer who fights with Mathamba, a retired IT officer who fights with Mathamba (Bobby), a well-known artist Umayi and her friends who are also characters of other two novels of Rudrappa titled Ullathum Kunnathuvaaram and Markose Kathrithriyayangal. Some of these characters were based on those from Rudrappa's earlier novel as Ullathum Kunnathuvaaram. Professor Mathamba (Insan Pathaam) is a very clever personality who is the mastermind. He is the son of the Ex-Prime Minister of the state. Mathamba's ambition had always been to continue in office and rule the state for as**
