Download RemoveWAT 2.2.6 Activator Another great spring comes to an end Earlier this week, a commentator stated that every time we venture outside we get struck by a half-dozen new ailments. This one stuck in my mind. This spring it's been commonplace to hear a great deal about what's happening in the Hutton-Seaton area. Take some of the recent headlines: • We still feel the loss of the Cummins engine plant. • The Fort Wayne Heartland Health Outlet has closed. • The Painesville Mills plant has closed, shedding 100 jobs. • The Campbell Corp. will begin closing its plant in the spring, losing more than 600 jobs. • Ford Motor Co. announced last month that it was shutting down its plant there, ending 55 years of automotive production. It
