[7] it was produced by tracklacers and it was co-produced by hartman. [7] aguilera's vocals were recorded by oscar ramirez at the red lips room in beverly hills in california. [7] programming was carried out by steve daly and john keep, while strings were composed by hartman. [7] in an interview with andrew hampp for billboard , aguilera explained how her role on the voice has allowed her to reach a new generational audience who may not be familiar with her past work, including songs such as her 2002 single, fighter. [2] when asked if some of the songs on lotus feature themes which are similar to that of her 2002 album, stripped , aguilera responded by saying that army of me is what she describes as fighter 2.0. Pop music duo Pussycat Dolls released its first single from its self-titled debut album on iTunes on August 27, 2008. Over the past several years, Pussycat Dolls has been searching for a top recording artist to be a featured vocalist on their debut album.

After hearing Christina Aguilera's song Your Body on the radio, they contacted her team to submit a song for the album.

Pussycat Dolls singer Kat DeLuna told Entertainment Weekly in December 2008 that the song was "definitely [to be] on the album, [...] and it's a great song." [24] On December 10, 2008, Pussycat Dolls tweeted that the song would be available online on iTunes on December 17, 2008. On December 17, 2008, Your Body received a rating of 2.5 out of 5 on Amazon.com, based on the 1,129 comments to customer reviews of the single. A remix of "Your Body" was recorded by American rappers

Eminem and 50 Cent featuring American singer and rapper Christina Aguilera. The remix was produced by 50 Cent for the remix album, released on December 17, 2011. It was made available on December 3, 2011, one day before the release of the original version. [20] Your Body is a song by American singer Christina Aguilera. It is featured in the soundtrack of the 2013 superhero film The Wolverine, making its first appearance on the pre-order-only single "Strange Ways". It is also featured on

Wolverine: The Official Game, The Wolverine: Wolverine World Wide, The Wolverine: Adamantium Rage - Xbox 360 Video Game and The Wolverine: Adamantium Rage - PlayStation 3 Video Game. [25] [21] This song achieved moderate success in the US and Canada, peaking at #42 and #60, respectively. It received mixed reviews from critics, with most praising its chorus for being catchy, while others criticized the song's lack of a vocal performance from Aguilera. 5ec8ef588b
