A SPECIAL THANK YOU to the 1,200+ staff members, trade workers and customers that made it all possible. Customers and staff alike were welcomed into the cafe by Ballooner Manager Paul, and then took a tour of the new site. A brief explanation of the new gaming rules was given, and then it was time for the first taste. Tempting trays of rolled "signatures" of the new games were served, as well as snacks and drinks - all accompanied by a welcoming seat in one of the new seats in the cafe. Courses on the menu, a special addition for the opening day, were also available. Customers were treated to a tray of deliciously steamed dumplings, served with a rich curry sauce.
